ADVENTURES WITH THE AWLIYA
BOOK THREE

OVER MIST AND MOUNTAIN

NOOR YUSUF

The summer and all its adventures have faded away and now Jem feels distant, disconnected and lost.

His restlessness will not leave him until he goes back: to the depths of the woods, the old woman and her Mihrab, and the Awliya that wait beyond. But this time, he is not prepared for what will meet him there.

Friend and foe are no longer clear. Danger emerges in the places he thought most safe. All he felt he could trust is shaken. He must travel the High Road, through the wilderness, in darkness and confusion, over mist and mountain.

He must find answers, lost friends, the way through, the way forward. And, above all, the truth of who he is and who they are - the Awliya Allah.

OVER MIST AND MOUNTAIN

Adventures with the Awliya
Book 3

Be ready with your blankets and hot chocolate, curled up with the new book, ready to drift away through the Mihrab deep in the heart of the leaf-bare, wind-filled Forest.

Over Mist and Mountain is set in autumn. The book is full of thunderstorms and downpours, harvest fayres and toffee apples not to mention bursting with adventure in faraway lands, in the company of ancient people:
Awliya Allah, mystics, sages, heroes of history and legend!

‘I really loved reading this book. I could imagine it so vividly. There are pieces of each of the characters that I resonated with and I felt the descriptions and ambience move from humorous to intense to convey exactly what the author intended.’
